Product Information

What is AuraCalm™?

AuraCalm™ is Vesta Nutra's proprietary blend of the following:

100% All Natural, Tart Cherry Extract, L-Theanine from Green Tea Extract and Chamomile Extract from Chamomile.

- Tart Cherry Extract: Fruit extract with the highest concentration of All-Natural Melatonin by Vesta Technology.
- L-Theanine Green Tea Extract: Amino acid for Sleep, Anxiety and Stress Relief which relaxes the mind.
- Chamomile Extract: Science shows that Chamomile Extract is rich in Magnesium and Tryptophan which may support sleep. Tryptophan is an amino acid within the body that is converted into Serotonin and Melatonin, both which potentially aid in sleep regulation.

About Vesta's AuraCalm™

AuraCalm™ is prepared to facilitate sleep, reduce stress, maintain calm, and lower blood pressure. Vesta manufactures AuraCalm™ to allow one to adapt to today's fast-paced environments while staying calm and having restful sleep.

AuraCalm™ contains significant sleep-inducing agents:

- Natural Amino Acids for sleep with benefits for mental clarity, cognition and hyper-active conditions. Promotes calm to support deep, restful sleep.
- Melatonin, the hormone associated with sleep. Regulates sleep-wake cycles and signals the body that it's time to sleep. The Highest levels of natural Melatonin are found in Tart Cherry.
- Tryptophan, which is metabolized into the serotonin neurotransmitter, and Melatonin, which can boost your mood and help regulate sleep, both found in Chamomile Extract Powder.
- All essential Amino acids, and a rich source of Magnesium, Iron, and Zinc valuable for Sleep regulation and recovery.
- Magnesium which is vital for restorative sleep through regulation of the calming neurotransmitter gamma-aminobutyric acid (GABA).
